OLD BUSINESS: Jim presented a draft of the new Greenway brochure. The committee commended him on a job well done. There may be slight modifications to the final draft.

Inspection Tour. The May meeting was the biannual inspection tour of a section of the Greenway. The findings have been submitted to the Park and Rec Department. The main concern is the overgrowth of bamboo and overhanging branches.

Grants. Betty and Jim have said there is not much money out there.

New Business: Jim read the invitation from the Middlebury Land Trust's annual meeting. The Greenway Committee approved (no vote taken).
