Regular Meeting Minutes
10-16-2023

- Skateboard Park – pressure washed, cracks sealed, painted, installed plywood and side wall boards were painted

Chairman Smith questioned if it received a lot of use.

Dan Norton confirmed that it does.

Mark Capodanno questioned if a pickleball court would receive more use.

Dan Norton reiterated the frequent use and acknowledged that pickleball does attract much interest.

Mark Capodanno shared that people in town have inquired about the town constructing a court in town.

Dan Norton stated that it is within the purview of Park & Rec.

Chairman Smith stated that he would speak with members of Park & Rec.

Dan Norton, added that the biggest complaint his counterparts have had is court time.

Dan Barth added that he is aware that there are many complaints with respect to noise.

July & August
- Catch basin repairs, crack sealing, spot milling and patching in preparation for the chip sealing and fog sealing process
- Repeated storms resulted in the need for sweeping, tree cleanups and attention at MRA Beach
- Gazebo was installed including sitework, installation of electrical conduit, sidewalks and dedication monument
- Truck 37 with trailer and paver was involved in an accident on Rt. 64 with the paver sustain most of the damage
- Roadside mowing continued

Mark A. Capodanno shared that Mr. Clark requested that the area by his driveway be mowed.

Chairman Smith asked on his own accord that mowing be done a bit further in on Benson Road by the Albini sign to open up the sightline.
September
- Marc Campituro sadly passed away
- Drainage work on Watertown Rd. continued
- Chip sealed various roads over a 2-day period with Seymour Sealing
- Fog Sealing occurred as well but took 5 days to complete due to uncooperative weather/temperatures
- Ground crew aerated and over seeded all public lawns and parks
- Roadside mowing was suspended, as well as into October, due to the need for the crew on road jobs.

Watertown Road
- It became apparent that additional piping was needed (1,090’ total)
- Filled 400’ of old steel pipe with flowable fill and left in place on west side from Ravenwood to the top of the hill towards Park Road Ext.
- Install an additional 435’ of new pipe
- 4,000’ of curbing and driveway aprons will be removed
- Milling is scheduled for October 24th followed by paving and the reinstallation of curb and driveway aprons
- DPW will backfill and replant grass
- Apply pavement markings depending on temperatures
- Completion is expected prior to Thanksgiving (with the possible exception of pavement markings)

Chairman Smith questioned the work that was done on the bridge on Watertown Road.

Dan Norton replied that the railings needed to be removed due to the curb under the railing needing to be replaced.

Other Work
- Crest Road is in need of a small top soil and seeing job
- Layout work for approximately 1,100’ of drainage work on Mirey Dam Road
- 350’ of off-road drainage work at 133 North Ridge Road
- Tub grind brush pile at the Transfer Station
- Catch up on roadside mowing by using deck mower and boom mower
- Recycled HMA from MJM Services will be utilized once the big plants close
- Tree removals are continuous
- To-do list is being created and will be addressed as time allows
